## Home Industry.

The people may talk all they  
please and contend, that it will  
take this thing and that thing  
to bring about deliverance to  
the people who are under dis-  
tressed circumstance. But we  
must say to our readers, that  
there is but one way: that will  
ever bring about a perfect  
deliverance to the poor and  
needy. And that is Bible Soci-  
alism practiced in Home Indus-  
try. For this is God's plan, and  
this is proclaimed, by the God  
of heaven thru his divine word.  
Please read.

"And they shall build houses  
and inhabit them; and they shall  
plant vineyards, and eat the  
fruit of them.

They shall not build, and an-  
other inhabit; they shall not  
plant, and another eat; for as  
the days of a tree are the days  
of my people and mine elect  
shall long enjoy the work of  
their hands.

They shall not labour in vain,  
nor bring forth for trouble; for  
they are the seed of the blessed  
of the Lord, and their offsprings  
with them.

And it shall come to pass:  
that before they call I will  
answer; and while they are yet  
speaking, I will hear.

The wolf and the lamb shall  
feed together and the lion shall  
eat straw like the bullock; and  
dust shall be the serpent's meat.  
They shall not hurt nor destroy  
in all my holy mountain, saith  
the Lord. (Isa. 65-21-25)

This is Bible Home Industry  
and that which will give bread  
to the hungry and joy to the  
drooping heart, and brings  
peace for ever more.

## British Draw Near Goal of Bapaume.

General Haig's Troops Make  
Steady Progress in Northern  
France.

### GERMANS BEATEN OFF.

Crown Prince Rupprecht Falls  
in Desperate Counter Attacks.

London Sept. 23—British forces  
north of the Somme in France  
continue to make progress to-  
ward Bapaume. Following up  
their success of Friday in advanc-  
ing along a mile front between  
Flers and Martinpuich the  
troops of General Haig have  
gained ground east of Cour-  
celette on the other side of the  
Pozières-Bapaume road from  
Martinpuich;

A strongly fortified German  
trench system on a front of half  
a mile east of Courcelette and in  
the direction of Sars, on the  
Pozières-Bapaume road, was  
carried by the British. The  
troops of Crown Prince Rup-  
precht of Bavaria attempted to  
penetrate the British line near  
the Mouquet farm between  
Courcelette and Thiepval, but  
were beaten off; London says,  
Berlin denies the British were  
successful in the attack east of  
Courcelette.

The repulse of a French attack  
on the Combles-rancourt line is  
recorded by Berlin. The French  
Paris says continue their tactics  
of harassing the garrison de-  
fending the German salient  
around Combles. Raids by  
French patrols near the edge of  
the town resulted in the capture  
of some prisoners.

## American Militarism Leading to Disaster Says Benson,

SOCIALIST CANDIDATE  
FOR PRESIDENT.

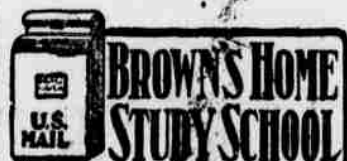

"The naval appropriation bill  
that Mr. Wilson is backing car-  
ries an appropriation of \$315,000  
000, which is a greater approp-  
riation by \$50,000,000 than  
Great Britain ever made for her  
navy in one year, prior to the  
present war. And the proposed  
appropriation for our army and  
navy reach the startling figure  
of \$635,000,000, which is more  
than the total revenues of the  
government for any years prior  
to 1911. Yet we are not threat-  
ened with militarism!

We beg you to help save this  
country from colossal disaster.

We ask you to vote for a ticket  
that stands for the public owner-  
ship and operation of industry.

If anybody tells you that our  
government is not fit to control  
industry, tell him that we Socia-  
lists agree with him—but we  
are not talking about that kind  
of a government. Our present  
government is made inefficient,  
wasteful, and so far as the gov-  
ernment is concerned, unservice-  
able. Chiefly because capitalists  
send men to Washington to  
make it so. If the great indus-  
tries were owned by the govern-  
ment there would be no private  
capitalists to make government  
bad."

WE WISH TO SAY, to the read-  
ers of the WORLD'S CRESSET  
that we are pleased to have the  
privilege of announcing the  
name of Hon. Argus Cox of  
Springfield as a candidate for  
Judge of the Springfield Court  
of Appeals on the Republican  
Ticket. And we must say that  
we do not know of any man  
with higher ideals, or more pure  
motives than Hon. Argus Cox,  
we have known him as a Lawyer  
and of his judgeship for many  
years. And as a minister of  
the Gospel, we try to observe  
the principles set forth by men  
who sit upon the bench, in order  
to meet out justice to those  
whom justice belongs to. And  
for this reason we believe who-  
ever casts their vote for Hon.  
Argus Cox, will cast their vote  
for a man worthy of their sup-  
port. Rev. L. S. Garrett.

Dear Ed. OF THE WORLD'S  
CRESSET Will you let me con-  
gratulate you through the col-  
umns of the CRESSET on the  
matrimonial services you render-  
ed before that large audience  
On last Sunday when you joined  
in HOLY WEDLOCK those two at  
the age of 15 years. I do not  
think, that any one who witness-  
ed it will ever forget it. And I  
saw the most, and of the very  
best of our neighborhood there  
It was a time long to be re-  
membered by your neighbor-  
hood. For there was no one  
there but what learned what  
matrimony was and what it is  
for. I have been married many  
years, and saw many marriages.  
But that was the finest, and  
most perfect, of all weddings I  
ever saw or heard of.

And I must also congratulate  
your people on one of the finest  
dinners. I counted 146 people  
who eat dinner with you, hope  
you may allow this in your  
paper. For all know who were  
there that I am telling the truth  
—A Friend.

—We wish to show our Christi-  
anity by walking after the Spirit  
and not after the flesh,

—If you want the Bible in its  
purity subscribe for the CRES-  
SET.

—Men who say that they  
believe in their maker, should  
believe in treating their fellow  
man right.

—There is too many who say that  
they are Christians, And prove  
the contrary by their works and  
acts.
